

The McClure Middle School Foundation is a nonprofit organization that was created to provide resources and support to administrators, teachers, and students of McClure Middle School. It is our belief that every student be given the opportunity to thrive in an environment that provides academic enrichment and the necessary tools to help them become the best of the next generation. This means that one of our largest ongoing initiatives is **technology**. With 1200+ students here at McClure, putting each student in front of a personal computer is a challenge.

This year we would love your help purchasing the laptops needed to fully equip two additional computer labs. If every family at McClure donated just \$10 toward this cause we could invest over \$10,000 right now!! Join us today and help the McClure Foundation make a real investment in the future success of all Mavericks!

*Count me in for **\$10 for TECH!!***

I have more to give, MMSF Donation (other) \$_____

Student Name: _____ Homeroom: _____

Email Address: _____
